### Special case of I-RA-5 (Radiochemical for testing and control of iodine filters)

The I-RA-5 is dispatched on Thursday for France and Benelux for delivery to end customers on Friday morning every other week.

The order deadline is Friday before noon of the week before dispatch.

It is manufactured on Wednesday by our Subcontractor IZOTOP in Hungary.

The I-RA-5 shipments are aligned on the shipment calendar of NORCHOL-131. Please see next page.

Please note: Shipment of this product is depending on available logistics solutions: for European customers the shipment is direct from Hungary.
