### STRIASCAN-5 (370 MBq) Weekend production

From January 2026 onwards, CIS Bio international offers additional shipment days for STRIASCAN-5. It will be possible to place orders for shipments on Sundays and Mondays.

**Important: Order deadline for Sunday and Monday shipments is the Thursday before at noon at latest.**

Please note that the STRIASCAN-5 production of the weekend is only available for specific countries since shipment depends on the available logistics solutions.

### Special case of I-RA-5 (Radiochemical for testing and control of iodine filters)

The I-RA-5 is dispatched on Thursday for France and Benelux for delivery to end customers on Friday morning every other week.

The order deadline is Friday before noon of the week before dispatch.

It is manufactured on Wednesday by our Subcontractor IZOTOP in Hungary.

The I-RA-5 shipments are aligned on the shipment calendar of NORCHOL-131. Please see next page.

Please note: Shipment of this product is depending on available logistics solutions: for European customers the shipment is direct from Hungary.
